TOURNAMENT YARDAGE BOOK

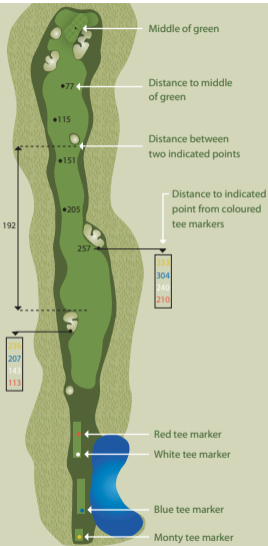

A message from Colin Montgomerie

“ When I first saw the site that the course now stands on I was truly excited about the possibilities of what the final results could be, I am very proud to welcome you to the golf course and I hope that you enjoy the challenge of playing what I consider to be a true test of golf.”

DEFINITION

All measurements are in Yards
All measurements on fairways are forward
measurements to the middle of the green.

Montgomerie Links Hole 1

A deceiving tee shot to a generous landing area with the ideal play line directly towards the distant fairway bunker. A strategic 2nd shot requires you to avoid a well placed fairway bunker before your approach to a well protected green.

Montgomerie Links Hole 4

The shortest Par 4 on the Montgomerie Links requires a well placed tee shot from an elevated tee to a hidden landing area. Be careful of the water on the right!

Montgomerie Links Hole 5

A short, full water carry Par 3 to a very receptive green requires careful club selection due to the native vegetated dune above the green sheltering the hole from prevailing winds. A knockdown shot may be the play.

Montgomerie Links Hole 6

This hole features an historic gun placement pillbox towards the right hand side of the tee box. A downhill tee shot requires a right side placement on the fairway for a risk and reward 2nd shot to a green well protected on the left hand side by the water.

Montgomerie Links Hole 8

This naturally undulating fairway will feed the ball left to right unless well placed towards the left hand fairway bunker. This will provide a clear 2nd shot to green.

Montgomerie Links Hole 18

The longest par 5 at Montgomerie Links and a great chance to finish with a birdie before retiring to the clubhouse. This slightly uphill hole, tempts the long hitters to go for the green in two. This is provided you can avoid a series of fairway bunkers before approaching an undulated, elevated green.
