BREEZE

PICTURESQUE VENUE TO PAINT IN MONTGOMERIE LINKS GOLF CLUB

On a sunny weekend, Summer Breeze was held at the Bistro restaurant of Montgomerie Links Hotel & Villas, overlooking the 10th, 13th, and 14th holes. Drinks, free-flow pastry, beverages, and fruit were well prepared to recharge the energies of the 20 participants to enjoy this painting workshop. We were delighted when they were full of joy and excitement before the workshop.

Dreamy Painting prepared fully from easels, picture frames, paint, paint brushes, brush cleaning cloths, to aprons for participants. 20 participants with different ages and talents but all sharing their passion for painting and immersing themselves in brushes and colors, with the blue of the sky and the water bubbles, the green of the grasses especially the multi-colored flowers add vivid summer painting with the individual story of each "artist".

After nearly 3 hours, they completed their own work and took photos to save a memorable weekend at Montgomerie Links Golf Club.

NOTIFICATION

Flexibly applies the policy of taking a break

From now until the end of September 30, 2023, the Club flexibly applies the policy of taking a break if Golfers would like to have a meal and rest after every 9 holes.

Please note that it is only applicable on weekdays from Monday to Friday. In some force majeure cases that the Club cannot meet the above needs, we will notify you in advance as soon as possible.

We really appreciate your support in informing the above policy to Golfers. In order to ensure the best service, please be informed of your Guests' desire to take a break when booking.

Normally, it takes 4 hours and 20 minutes to finish a round when playing continuously. It means each 9 holes takes 2 hours and 10 minutes. And the break time after 9 holes can be estimated from 30 to 60 minutes. In some cases, based on actual operations, the return time to the golf course can be later.

To request a break, please follow the instructions above:

1. When making a reservation, please ask the staff to confirm the time to play the first 9 holes and the time to play for the remaining holes after taking a break.
2. In case the Guest's needs cannot be clearly identified, it is possible to only announce "guest will take a break after 9 holes" when making a reservation. And please ask Guests to confirm with the staff at the Staging area before starting to go to the golf course.

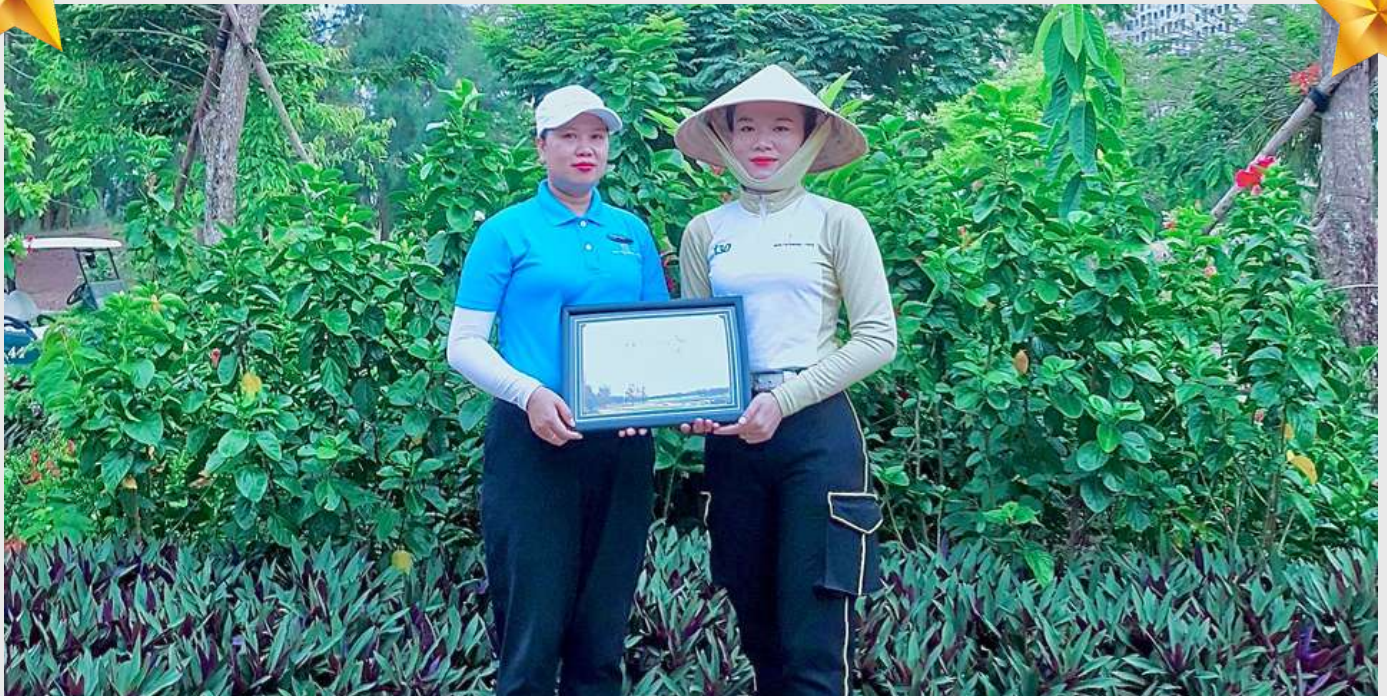

Our Birdies restaurant and 2 Kiosk are always ready to serve you during your rest time with full facilities and services.

CADDY STAR

C

addy Star - the first competition at Montgomerie Links Golf Club for the caddy. Based on the voting of teams and supervisors, it is organized to honor those who comply with regulations, especially always striving, trying their best, and being creative to complete their work.

Congratulations to Caddy 03 - Tran Thi Kim Hien and 130 - Doan Thi Thuong for winning the title of Caddy Star in April.

THÔNG BÁO

HOLLOW TINING GREEN

Please note that we will be hollow tining our greens on the 5th and 6th of June 2023, these works are a vital part of scheduled maintenance and help us to keep the greens in healthy condition.

- ***June 5, 2023: The greens of Hole 1 to Hole 9 will be hollow tining. So, golfers will play 2 rounds from holes 10 to 18.***
- ***June 6, 2023: The greens of Hole 10 to Hole 18 will be hollow tining. So, golfers will play 2 rounds from holes 1 to 9.***

The main reason for the process is to allow air and water and nutrients to reach into the soil. We apologize for any inconvenience this may cause you and promise that the greens will improve very quickly after just a few days.

During the maintenance period, a special rate for 18 holes will be applied from June 5 to the end of June 18, 2023. In terms of detailed information, please contact Sales Department: sales@montgomerielinks.com
